Cognitive Neuroscience and Clinical Neuropsychology (CN2)

Second-cycle Degree Course

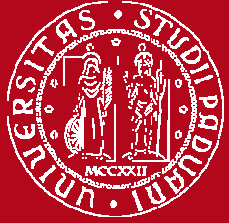

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

Selection of students to be enrolled in the first year

ADMISSION NOTICE

academic year 2016-2017

Useful information on how to make your application

UNIVERSITÀ
DEGLI STUDI
DI PADOVA

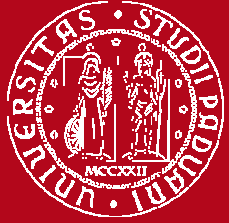

Second-cycle Degree Course

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

What is "CN2" ?

**This is a degree course (Laurea Magistrale) belonging to the area
of Psychology (Class LM 51)**

**The CN2 is addressed to Italian and foreign first graduates with
strong interest in cognitive neuroscience and in its clinical
applications**

UNIVERSITÀ
DEGLI STUDI
DI PADOVA

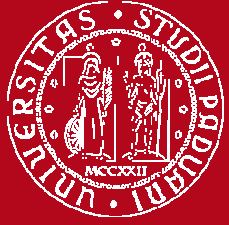

Second-cycle Degree Course

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

Why is CN2 different ?

The Course programme covers a broad range of topics bridging psychology and neuroscience from both research and clinical applications perspectives

Special focus is placed on practical activities and laboratories

UNIVERSITÀ
DEGLI STUDI
DI PADOVA

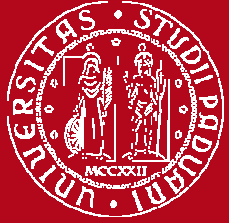

Second-cycle Degree Course

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

Some other characteristics of CN2

Courses are entirely held in English language

There is a limit of 38 places due to logistical needs related to practical activities and laboratories

UNIVERSITÀ
DEGLI STUDI
DI PADOVA

Second-cycle Degree Course

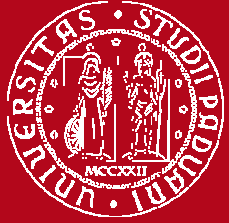

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

LIMITED ACCESS : HOW MANY PLACES ARE AVAILABLE ?

In the first year there are:

- **30 places reserved for EU citizens and non-EU citizens living in Italy**
- **8 places reserved for non-EU citizens who do not live in Italy (of which 2 places for Chinese students of the Marco Polo programme)**

For the allocation of places three distinct lists will be drawn up

UNIVERSITÀ
DEGLI STUDI
DI PADOVA

Second-cycle Degree Course

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

Teaching and area of the subjects

Lessons and laboratories are held at School of Psychology

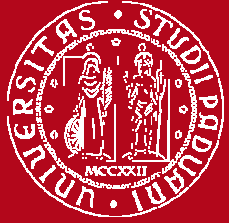

Clinical activity is held at University hospital (clinical training is provided at the Departments of Neurosurgery, Neurology, Neuroradiology, Psychiatry, Transplant Unit, etc.)

Scientific sectors and disciplines (SSD*) of the CN2 courses:

Psychology (SSD M-PSI)	= 13 courses
Medicine (SSD MED)	= 3 courses
Biology (SSD BIO)	= 1 courses

* academic area courses according to the Italian legislation (<http://www.miur.it/UserFiles/116.htm>)

School of Psychology – Department of General Psychology

Second-cycle Degree Course

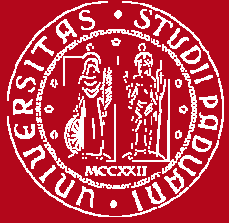

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

More reasons for choosing CN2

Lessons are frequently supplemented by participation to international or national meetings and conferences, or other relevant scientific events

The limited number of students permits to improve the quality of teaching and practical activities and makes it possible the dialogue with each student

The needs of the class are considered with regard to the logistics of the lessons and exams, the relationship with teachers, etc.

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

moreover...

CN2 IS FUN !

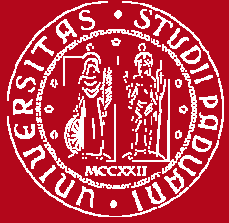

Students currently enrolled appreciated the human and scientific environment created during the academic activities (and non-academic)

Join our facebook group and have a look to the photos they published

Second-cycle Degree Course

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

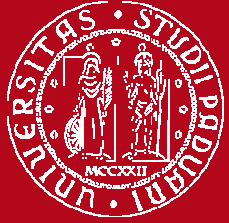

HOW TO APPLY

The Admission Notice can be found at the page:

<http://www.unipd.it/en/cognitive-neuroscience-and-clinical-neuropsychology>

To follow are some useful information to guide you through the application process

Please remember that in order to make your application you should by all means refer to the official procedures described in the Admission Notice

UNIVERSITÀ
DEGLI STUDI
DI PADOVA

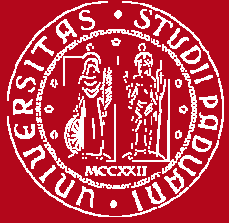

Second-cycle Degree Course

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

WHO CAN APPLY

Candidates are required to:

- Be in possession, by 30th July 2016, of a first-cycle degree in Psychology or of a foreign qualification recognized as equivalent according to current legislation;**
- Meet admission requirements (see Annex 1 of the Admission Notice)**

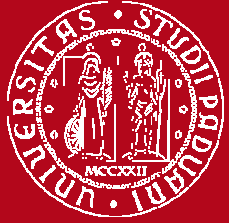

UNIVERSITÀ
DEGLI STUDI
DI PADOVA

Second-cycle Degree Course

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

IMPORTANT

**All candidates must make the pre-enrolment
THROUGH OUR WEBSITE BY
22th APRIL 2016**

UNIVERSITÀ
DEGLI STUDI
DI PADOVA

Second-cycle Degree Course

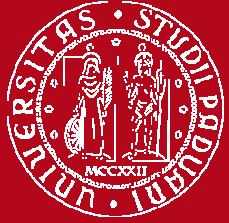

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

PRE-ENROLMENT ON-LINE

The pre-registration procedure is available through the website
<https://uniweb.unipd.it/password/index.php/en/utenti/identifica/azione/a>

You will first need to register to the website if you are not already a registered user

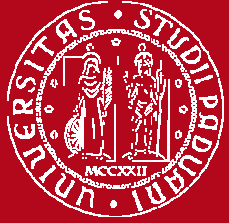

The procedure is described at point 2 of the Admission Notice

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

DOCUMENTS TO BE UPLOADED FOR PRE-ENROLMENT ON-LINE **(SEE POINT 2.2 OF THE ADMISSION NOTICE)**

1. **two cover letters (maximum) in English, written and signed by University professors;**
2. **a *curriculum studiorum* in English, inclusive of any experience deemed useful for the admission to the course (PLEASE REMIND TO INDICATE THE EXAMS TAKEN AND GRADES OBTAINED);**
3. **motivation letter in English;**
4. **copy of an ID document;**
5. **copy of B2 level of English certification (or equivalent certification, see Admission Notice, point 2.2) necessary for admission.**

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

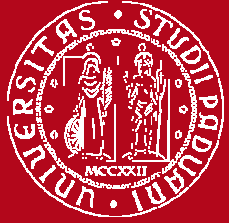

IMPORTANT FOR FOREIGN CANDIDATES:

Admission of foreign candidates and of candidates in possession of a foreign qualification is conditional on:

- 1) the verification of the qualifications claimed (on their actual awarding in case candidates have not yet obtained them)
- 2) the submission of the documents listed at <http://www.unipd.it/en/how-apply>

Please note that Non-EU citizens residing outside Italy must validate their qualification and pre-enroll at the Italian Embassy in their country.

(For details see <http://www.unipd.it/en/how-apply>)

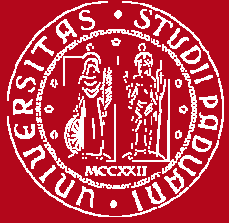

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

In the case you have already a first degree/Bachelor degree, which is NOT an Italian degree, you must also attach:

- **Transcript of records of the qualification obtained abroad, preferably with an indication of the ECTS credits (the transcript may be replaced by the Diploma Supplement, in countries where used);**
- **Copy of residence permit in Italy in case of non-EU citizenship already living in Italy or in another EU country;**

(For details see point 2.2 of the Admission Notice)

UNIVERSITÀ
DEGLI STUDI
DI PADOVA

Second-cycle Degree Course

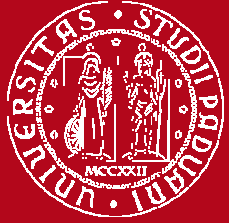

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

WHO CAN ENROLL

**Graduates can apply as well as those
students who will obtain their degree by 30th JULY 2016**

To be admitted to the Second level degree course, applicants must:

- a) hold a first level degree or three-year university diploma or any other qualification achieved abroad, recognised as equivalent according to current legislation;**
- b) hold the minimum curricular requirements (see Admission Notice, point 1);**
- c) be in good position in the ranking list (see Admission Notice, point 3).**

UNIVERSITÀ
DEGLI STUDI
DI PADOVA

Second-cycle Degree Course

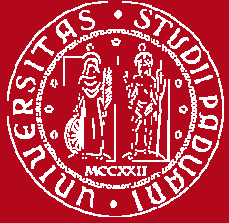

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

REQUIREMENTS FOR ACCESS TO THE COURSE – CANDIDATES IN POSSESSION OF AN ITALIAN DEGREE:

1) All candidates must have English at least at B2 level of the common European language standard

2) Further minimum requirements for candidates in possession of an Italian degree:

For admission to the course students are required to hold a first level degree in the L-24-Psychology class.

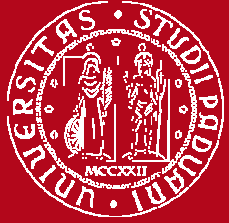

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

REQUIREMENTS FOR ACCESS TO THE COURSE – CANDIDATES IN POSSESSION OF A FOREIGN DEGREE:

1) All candidates must have English at least at B2 level of the common European language standard

2) Further minimum requirements for candidates in possession of a foreign degree:

For candidates with a foreign educational qualification the Board will assess the eligibility of candidates taking into account the equivalence of the exams so that their foreign first level degree is similar to the Italian one for the L-24-Psychology class

UNIVERSITÀ
DEGLI STUDI
DI PADOVA

Second-cycle Degree Course

Cognitive Neuroscience and Clinical Neuropsychology (CN2)

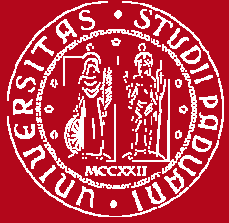

LANGUAGE REQUIREMENTS:

For the admission you will need to have at least a B2 level of knowledge of English language, with reference to the CEFR (*Common European Framework of Reference for Languages: Learning, teaching, assessment*)

The CEFR levels are described at the page:

http://www.coe.int/t/dg4/linguistic/Cadre1_en.asp

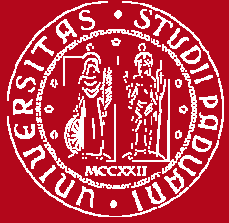

(See also Admission Notice, point 2.2)

LANGUAGE CERTIFICATE:

Please note that a language certification IS NOT required for students who attended a first level degree in English or received compulsory education in an English-speaking country or in schools where the main teaching language is English.

Otherwise a B2 certificate will need to be submitted within the documents for the evaluation of the curriculum vitae requirements.
