12 OPTIONAL CREDITS (cfu/ects)

Master's degree students may choose teachings worth optional credits from their degree program and from all current Master's degree programs of the School of Psychology. In addition, students may choose teachings worth optional credits from the Bachelor's degree programs of the University of Padova with the exception of those belonging to the School of Psychology. In any case, students cannot choose teachings they already took or very similar to them but taught in a different language. A Study Plan including teachings worth optional credits chosen among other degree programs outside the School of Psychology will have to be submitted to the Chair of the degree program's approval.
