Semesters of the second and third year could have changes

First-cycle degree students may choose course units worth optional credits among all the first-cycle course units of the University of Padua held in the academic year in addition to those belonging to their degree program.

In case students should choose course units worth optional credits different from the suite of courses offered by the School of Psychology of the University of Padua, their Study Plan will have to be approved.

A Study Plan including course units worth optional credits chosen among other first-cycle degree programs but named as those part of the Educational Offer overview of the School of Psychology of the University of Padua will not be accepted.

The course units of the Bachelor's in Psychological Science cannot be selected as course units worth optional credits for the other "Corso di Studio" of the School of Psychology.
